A RELAXING HAVEN

Returning to our welcoming "quietside" Southwest Harbor B&B after a busy day spent hiking Cadillac Mountain, or shopping around Bar Harbor truly is like coming home – only better. We do the dishes and make the beds! You relax in the wooden rocking chairs on the front porch or snooze in the hammock.

GOURMET BREAKFAST

Who says breakfast has to be just about scrambled eggs and pancakes? We like to put a little spin on some of the traditional favorites. From our Decadent Dark Chocolate Chunk Raspberry Scones to Pistou Poached Eggs on Toasted Brioche, we prepare savory and sweet delights that go way beyond the usual morning fare. And, we have a 30-day varied menu, so unless you are making a reservation for a month, it's highly unlikely you'll be served the same dish more than once.

WELCOMING GUESTROOMS

Our tastefully decorated and spacious guestrooms offer beautiful vistas of the sea and the active working harbor. We have made every attempt to ensure your comfort during your stay. Our daily housekeeping service will keep your chambers as fresh and fluffed as they were at check in. Please let us know if there is something in particular that would make your stay that much more comfortable - and we'll see what we can do to provide that extra special something
